

# SOUTH BURNIE BOWLS & COMMUNITY CLUB Inc

## NEWSLETTER August 2020

**Well to put it mildly “it’s been quite a year, so far!”**

However, by comparison to some areas, South Burnie Club has done extremely well. Early restricted sessions were well organised and supported - thanks in great part to Daffy and Geoff - and then the commencement of Wednesday and Saturday Social Bowls has, with the fantastic weather, brought out a regular band of hardy souls, numbering into the high 20’s, has been managed by Ben Jones. A sincere thank you to those volunteers.

**Talking of volunteers - how would we manage without them?** There has been a large group who have made themselves available throughout the winter to keep up the weekly maintenance and to do all the extras that has resulted in everything looking ship-shape and ready to face another season. A “Thank you” seems inadequate!

The recent **“Covid Buster Roast”** was a terrific success - with some drama added! Well done to all those who made the event a success.

The **Special General Meeting** was fairly well attended and all the alterations to the Constitution were accepted.

The next meeting will be the **Annual General Meeting on August 30th at 10.30am**

Position Descriptions and Nomination forms are available from the Club
